PREMIUM REPLACEMENT ENGINE PARTS FOR CONSTRUCTION, INDUSTRIAL & AGRICULTURAL **MACHINERY**

This document contains a list of components that may be required during the overhaul of a variety of Caterpillar® C9.3 engines. It is strongly recommended that you check the part numbers listed within this document against your engine serial number prior to ordering.

Please note that this is not an all-encompassing catalogue for the engines, therefore the item(s) that you require may not be listed in this document. A full listing of all KMP supplied components for this engine can be supplied by your sales representative on request.

Parts contained within this document are not guaranteed to be available at the time of publication, however they may be developed at a later date, any item that is not currently available is annotated with an asterisk (*). Items that are stocked at the time of publication may also become discontinued at a later date. Therefore, please contact your KMP sales representative to verify item availability before taking any action based on the information contained within this publication.
